*“Deliberation and debate are the way you stir the soul of our democracy.” - Jesse Jackson*

It is wisely said that young minds can bring out ideas which even sharp minds can't imagine same happened in the debate competition held on February 2, 2022. Hosting an audience of 203 participants, the entire session organized by the CSR department was a complete package of great learning, self-development, and building a competitive spirit among the beneficiaries of the NDDP Programme.

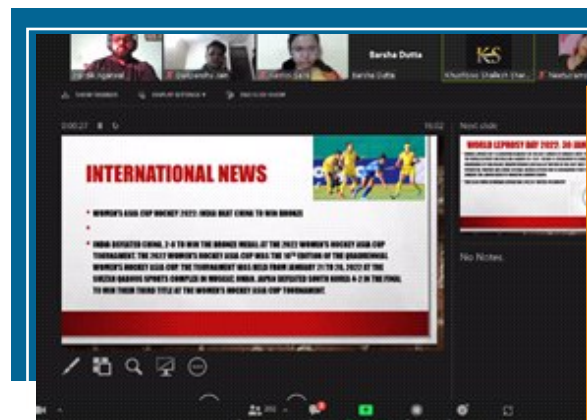

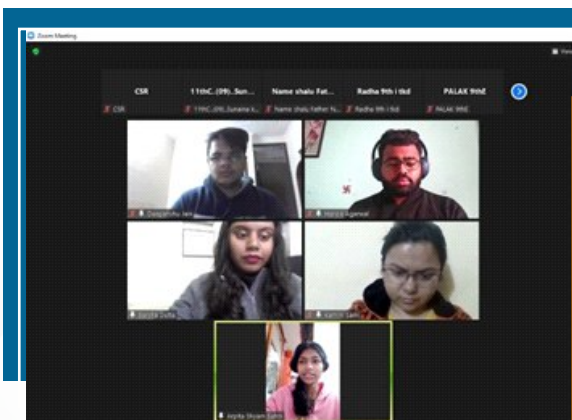

The participants of the competitions were the senior girls from class XI & XII and the audience consisted of their juniors from IX and X standards as well.

The students showcased utmost sincerity and discipline throughout the session. Participants did deep research around the life and contribution of Netaji.

- The most fascinating was the Hitler meeting Netaji story told by Muskan.
- Special kudos to Arpita, who displayed courage of turning on her camera in such huge crowd while speaking where no one else did it.

The debate competition was followed with one of the regular activities called as News Reading, in which one of the students of the NDDP session prepare a PowerPoint presentation all on his/her own and then present the same in the session itself.

This time it was done by Khushboo and she did it very well.
