

Ringing in the New Year With NDDP Students

Newgen Digital Discovery Paathshala welcomed 2021 with an online celebration, where approximately 200 girl students of Harkesh Nagar and Tehkhand government schools eagerly participated.

It was a fun event, wherein students recited poems, sang patriotic songs, and showed their witty side through comic performances. Also, the event showcased a special performance by “Raj Band”. The cherry on the cake was the Tambola game, which was enjoyed by everyone.

Lastly, we would like to thank our judges—Meenakshi, Heena, and Rijul, who attended the program with full zeal and helped us in deciding the winners. The event was concluded with the prize distribution.

“Being part of the New Year celebration with our dear NDDP students was an experience I would cherish for life. Remotely connecting with students spread across Delhi NCR made me realize how digitalization has made our lives easier. It was amazing to see kids performing from the comfort of their homes. Their confidence and zeal were unparalleled and left me craving for more. Kudos to the entire CSR team for nurturing these kids and making commendable efforts towards their personality development.”
